

1.0 DIRECTORY LISTINGS

- 1.1.01 These regulations and rates apply to listings in light-face type that appear in the alphabetical directory list of customers' names and in information records.
- 1.1.02 The Company provides the alphabetical directory list and information service solely to permit the finding of telephone numbers listed. Listings are therefore limited to information essential for this purpose and are to conform to the Company's specifications.
- 1.1.03 All customers' services are listed except those for which the customer request privacy. The limitation of the Company's liability in respect of such omission of listings is specified in Section 85, Item 7 of this tariff.
- 1.1.04 The customer is to authorize the listings for service including any joint user of the service. Listings of the names of persons, firms or corporations who are not customers, or of any trade name, must be authorized by such persons, firms or corporations or by the proprietor of such trade name.
- 1.1.05 The Company prepares listings in accordance with the letters of the English and French alphabets only and may use such abbreviations as it considers necessary.
- 1.1.06 When two or more central-office lines are furnished for the same customer one primary listing is provided. Customers with non-equivalent lines may have primary listing for these lines in the form of extra listing if required.
- 1.1.07 The Company reserves the right, on proper showing, to discontinue or refuse to accept any Listing that is found to be contrary to law or to the regulations herein.

1.1.04 When a government has numerous separately listed telephone services in one exchange, the Company may provide, without additional charge, a special directory list of the frequently called telephone numbers, in addition to the regular listings, if in its opinion this will facilitate the correct routing of calls to such numbers and thereby substantially reduce the number of telephone requests for information about them.
