Additional add-ons, free professional installation and no upfront hardware costs.

Available with Smart Home and Smart Security

Indoor Smart Plug

\$2/mo (purchase price \$72)
Remotely control small appliances or lamps with a variety of programming options.

Outdoor Smart Plug

\$2/mo (purchase price \$72)
Remotely control outdoor appliances/lighting with a variety of programming options.

Indoor Lamp Dimmer

\$2/mo (purchase price \$72)
Remotely brighten or dim your indoor lighting with a variety of programming options.

Garage Door Opener

\$3/mo (purchase price \$108)
Control your garage door remotely, and set up event based actions.

Smart Door Lock

\$5/mo (purchase price \$180)
Conveniently lock/unlock doors remotely, assign codes to track access, and even set up your doors to unlock in the event of a fire. Available in nickel, bronze or brass.

Smart Thermostat

\$5/mo (purchase price \$180)
Take control of your energy use. Control your thermostats automatically and on-the-go. It's a smarter, simpler way to save money and stay comfortable.

Available with Smart Security

Personal Panic Button

\$2/mo (purchase price \$72)
Quickly raise an emergency alarm with the touch of a button. This button is small, lightweight and provides a 5-second delay to reduce false alarms.

Key FOB

\$2/mo (purchase price \$72)
Arm and disarm your system, or raise a panic alarm without entering an access code.

Flood Detector

\$2/mo (purchase price \$72)
Mount in any areas where you are worried about flooding. If water is detected, your alarm will trigger.

Smoke Alarm Sensor

\$3/mo (purchase price \$108)
Eastlink's Smoke Alarm Sensor listens for a smoke alarm in the home, and if detected reports the alarm to Smart Security, which immediately alerts the alarm monitoring company and the home owner's smartphone.

Smoke/Temperature Detector

\$3/mo (purchase price \$108)
This detector has a low profile design, with a dual-sensor to detect smoke, heat and low temperatures below 5 degrees.

Carbon Monoxide Detector

\$3/mo (purchase price \$108)
Slim-line design, detects carbon monoxide using electrochemical sensing technology.

Glass Break Detector

\$3/mo (purchase price \$108)
A glass break detector is mounted near a window. If a window pane is broken, an alert will be raised.

Indoor Siren

\$3/mo (purchase price \$108)
A siren can be used in situations where it may be challenging to hear an alarm being raised. When an alarm is triggered, the siren will blare, and a strobe light will flash.

Additional Touchscreen Keypad

\$5/mo (purchase price \$180)
Add a second keypad for quick access in any area.
