

These Terms and Conditions form the contract between Eastlink (“We”, “Us” and “Our”) and you, Our customer (“You” and “Your”) with respect to the Eastlink Total Device Protection Plan (the “Plan”) You have purchased from Eastlink. By purchasing this Plan, You expressly agree that You have had the opportunity to read these Terms and Conditions and that You accept these Terms and Conditions.

The coverage You purchased, as specified in Your wireless service agreement with Eastlink (“Service Agreement”), is subject to the terms set forth herein. The Plan and Your Service Agreement are separate agreements. However, in order to maintain service under this Plan, You must also adhere to the terms and conditions in Your Service Agreement and Eastlink’s Terms of Service, which can be found at www.eastlink.ca/terms. Any portion of these Terms and Conditions found to be invalid or unenforceable will not invalidate the remaining portions of these Terms and Conditions.

WHAT DEVICE IS COVERED?

Your covered device is the eligible new or “Certified Refreshed” cell phone or smartphone You purchased from Eastlink (“Device”). You must register Your Device IMEI with Eastlink at the time of purchase or when You enroll in the Plan. Only the Device registered with Eastlink, as determined by Eastlink, is eligible for the coverage provided under Your Plan.

This Plan is for Your use only, and only for the Device You have registered with Eastlink. In the event you request to transfer your Eastlink wireless account to another person, this Plan will be subject to Eastlink’s account transfer policies, available by contacting Eastlink. You cannot transfer the Plan to another Device.

Please refer to the “**What is not covered?**” section of these Terms and Conditions for limitations on devices covered under Your Plan.

If We determine that Your Device is ineligible for coverage under this Plan, We will cancel the Plan and send You written notification of the cancellation, and provide You with a full refund of any Plan monthly fees paid.

Before providing Your Device for exchange, You must:

***Please note that Activation Locks on Android devices must be removed directly on the Device. If Your Android Device does not turn on, please refer to the Device user manual for more information.**

When shipping Your damaged Device to Us, You are responsible for properly packaging the Device according to the shipping instructions provided by Us.

Are there any other charges?

Yes. When You receive a Replacement Device, additional charges may apply in the form of a Non-Return Fee (it would appear as "Non-Return Fee" on Your credit card or bank statement). A "Non-Return Fee" would be equal to the retail cost of the Replacement Device sent to You, as determined by Us, less the Replacement Service Fee, plus shipping and handling costs. The Non-Return Fee will only apply in the following circumstances:

- if We do not receive the defective Device within fifteen (15) calendar days of You receiving Your Replacement Device;
- if the returned defective device is not the covered Device You have registered with Eastlink under Your Plan, We will return the device to You and charge You the Non-Return Fee, plus shipping and handling costs;
